The Evil Giggler and Wonder Fred are hypnotizing bystanders.

La-la Rachel - the Rockstar is singing horribly and making people's ear drums burst.

Hey! I just met you but here's my number so call me maybe! CALL ME MAYBE!

AHHHH! Our eAR DRUMS!

Meanwhile the bystanders awkwardly steal James Bond's glasses through the roof and out.

Look at me, you are getting excited... I'm mean tired. Ooaaa...

Meanwhile Peter Pan sprinkles fairy dust onto Wonder Fred, making her fly into space.

HELP!

Then they reported it to the news and did a story about them saving the world.
