INFLUENZA

Influenza is increasing throughout Victoria. Schools are also reporting higher rates of students affected by influenza and we are no different. It is recommended that we should follow these important steps to respond to students affected by influenza at school:

1. Students with cold or flu-like symptoms should seek medical attention. Common flu-like symptoms include a high fever, a cough, a runny nose, loss of appetite, body aches and feeling extremely weak and tired. Diagnosis should only be made by a medical practitioner.

2. Any students with colds or flu-like symptoms should limit contact with others and stay at home until their symptoms have passed.
3. If a student becomes ill at school with these symptoms, we will contact you and arrange for you to pick up your child.
4. Good general hygiene is the best defence against infection. Encourage students to wash their hands regularly. Ask them to cover their nose and mouth when sneezing and coughing.
5. Proper handwashing is one of the best ways to reduce spreading illness and staying healthy.

PROMOTING GOOD HYGIENE HABITS

We all need to keep clean to avoid harmful germs and avoid becoming sick. As Winter wraps her cold arms around us it is timely to revisit some hygiene habits that might prevent the usual ills at this time of the year. Please remind your child/children of the importance of the following:

- Washing their hands and covering their mouths when they cough
- Having regular baths or showers
- Brushing their teeth

You may have to help your child/children learn and practise good personal hygiene habits, particularly as they approach their teen-age years.

Being able to talk openly and honestly about keeping clean is important. This will help you manage more difficult personal hygiene issues that are likely to come up when they are teenagers.

Washing hands and covering their mouths when they cough –

Most germs spread through hand contact. Regular washing hands will prevent your child/children from becoming sick. Encourage your child/children to wash their hands with soap and water for twenty seconds:

- when their hands look dirty
- before eating or making food
- after touching raw meats, including chicken and beef
- after touching any body fluids like blood, urine (wee) or vomit (sick)
- after touching animals (including cats and dogs)
- after blowing their nose, sneezing or coughing
- after going to the toilet

Children need regular baths or showers. You can include a bath or shower at the end of the day as part of their bedtime routine. Your child's hair should be washed one to two times a week. If their hair is very oily, it might need washing more often. Make sure your child washes all of their body and make sure that their body is thoroughly dry before they get dressed.

Brushing teeth - Children should brush and floss their teeth twice a day (in the morning and before they go to sleep). They should brush with a pea-sized amount of children's toothpaste that contains fluoride. You will need to help your child brush their teeth until they are about seven years old.

REMINDER ABOUT WEARING CORRECT SCHOOL UNIFORM

It is disappointing to see that some students are **not** wearing the correct school uniform as it is expected that they do so. The following is a reminder of what students should wear for your information. All items of uniform are available at the school's office. School jackets and wind-cheaters may be worn all year round.

Girl's Summer

Girls can wear royal blue shorts and a gold or monogrammed polo neck shirt. Girls may also wear a blue and white "A" line short sleeve dress. Royal blue or black bike shorts may be worn under the dress, but are to be no longer than the dress length. Socks are white and shoes are black.

Girl's (Winter)

Royal blue track pants, royal blue bootleg pants or school tunic, monogrammed gold/royal blue polo shirt – long or short-sleeve. Navy blue or black tights or leggings may be worn underneath the tunic. White socks and black shoes are worn.

Boys' (Summer/Winter)

Royal blue shorts and gold/royal blue polo neck shirt (long sleeve and short sleeve). Royal blue track pants and gold/navy blue polo shirt. Grey or white socks and black shoes are worn.

Hats

Slouch hats with the school logo are available from the school. These hats are in line with the Department of Education and Early Childhood Development and Anti-Cancer Council guidelines. It is compulsory to wear the school hat from September 1st to 1st May and the school encourages students to have a hat in their bags at all times.

Footwear

Acceptable footwear includes black lace-up shoes, black T-bar sandals, black velcro shoes and black runners. Thongs and open-toed sandals are not acceptable at school.

School Bags

Monogrammed school bags are available to purchase throughout the year.

Sports Clothes

Middle and Senior School students may purchase a school sports shirt and shorts, which may be worn on timetabled Physical education sessions and Sports Days

Please make sure that all articles of clothing are clearly named.

If you have any difficulty in providing the school uniform please speak to the Administration staff in the school office.

~~ *SPECIAL "THANK YOU" TO AMELIA ANNAT* ~~

How wonderful that Mrs Amelia Annat has volunteered to head a team to have Mother's Day and Father's Day officially celebrated in the school next year, with the sale of small gifts that students can purchase. I know Mrs Annat will be seeking to round -up a team of willing helpers to make this possible. The students have missed out on purchasing gifts on these special days, due to COVID-19 blotting our landscape and it is time now where such celebrations can resume.

*Thank
You*
