POLICY

1. School profile

Burwood Heights Primary School and Kindergarten is located in the City of Whitehorse and is a member of the Riversdale Network of schools and of the International Baccalaureate Network of Schools. The school was built in 1966 and from 2010 – 2011 underwent building modernization works. The once spacious grounds are gradually being encroached on, due to the establishment of buildings such as the Building Revolution facility, the kindergarten and three portable classrooms. There are three established play-equipment areas for the different sections of the school. Security fencing surrounds the perimeter of the school.

Burwood Heights Primary School is committed to preparing our students to develop the knowledge and skills that will help them become life-long learners who are successful and happy individuals who participate fully in, and contribute to, our community and the world around us. Burwood Heights Primary School is an International Baccalaureate (IB) World School authorised to deliver the Primary Years Program (PYP). The IB Learner Profile represents ten attributes valued by Burwood Heights Primary School. We believe that these attributes and others like them, can help individuals and groups become responsible members of local, national and global communities helping to create a better and more peaceful world. These attributes are inquirers, knowledgeable, thinkers, communicators, principled, open-minded, caring, risk-takers, balanced and reflective. Our intent is to provide a learning environment where all students are fully engaged in their learning, based on a whole-school inquiry-based approach to teaching and learning.

The school caters for children from three to five years-of-age (kindergarten managed by School Council on-site) and from Prep to Year Six in the primary school section. Staff consists of 25.5 equivalent full-time staff, 1.6 Principal Class, 25.9 teachers, 10.2 Education Support staff, 4 Early Years teachers and 5 Kindergarten Assistants. There are twenty classes and students have specialist sessions in Visual Art, French, Physical Education, Homecrafts and Science. The profile of the school has rapidly changed with many financially independent families arriving from overseas. Our overall socio-economic profile which is based on the school's Student Family Occupation and Education Index, is now in the High Similar Schools Group. We have many families who have come from overseas. 40% of students have English as a Second Language.

Family mobility rate is high, due largely to the increased housing prices and expensive rental accommodation. The Outdoor Learning Classroom, our outstanding Choir, Dance and Glee Groups, the Mindful Movement Programme, Robotics, Coding Club, Soccer Club as well as many other extra-curricular activities provide students with the opportunity to all experience success. The family barbeques, parent information evenings, online communication as well as school newsletter, and special whole-school activities assist in forging strong connections with families. We strive to achieve a positive school culture, where student belonging, friendships and connectedness are promoted, and diversity is valued.

2. School values, philosophy and vision

Burwood Heights Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, sensitivity, honesty, responsibility and achievement at every opportunity as well as the attributes of the Learner Profile.

Our school's vision is to prepare our students to develop the knowledge and skills that will help them become life-long learners who are successful and happy individuals who participate fully in and contribute to our community and the world around us.
