

Junior School House Sports

On Friday, 22nd November, the preps, grade 1s and 2s all gathered on the oval for the annual 'Junior School House Sports!' The oval was awash with gold, red, green and blue as the school leaders gathered their teams ready to compete.

There was soccer, egg and spoon races, t-ball, hurdles and many more activities to compete in and earn valuable house points. Bonus spirit points were given in abundance due to the awesome sportsmanship showed by each team.

After completing in 12 activities, all the points were collated and added up. And the winner was.....

- 1st- FLYNN (red)
- 2nd- Kenny (gold)
- 3rd- Cowan (blue)
- 4th- Florey (green)

A HUGE thank you to all the parents that came and helped, supported and cheered for all the students. Another thank you to the AMAZING school leaders who not only lead and helped their teams but helped with equipment and kept the enthusiasm and house spirit going.

The Level 1 & 2 Teachers
